Ultimaker Customer Loyalty Program

We truly appreciate your support of Ultimaker! As a loyal customer, we'd like to offer you 10% off our Ultimaker 2+ Connect by adding it to your current 3D printing fleet. With networking capabilities and a new touchscreen, the Ultimaker 2+ Connect provides you with easy, remote 3D printing.

The Ultimaker 2+ Connect builds upon the award-winning benchmark of its predecessor, to add intuitive operation and deeper software connectivity. Upgrade your 3D printing set-up with the Ultimaker 2+ Connect to include:

- Build volume: 8.7 x 8.6 x 8 inches
- Network connectivity via Wi-Fi or Ethernet enables remote printing over the cloud with added security
- Easy control with the 2.4-inch color touchscreen
- Now available Ultimaker 2+ Connect Air Manager (sold separately) removes up to 95% of ultrafine particles and shields the print area
