# Ultimaker Material Starter Pack Bundle

Purchase an Ultimaker printer and get a material bundle for 50% off

With a purchase of an Ultimaker 2+ Connect, Ultimaker S3, Ultimaker S5 or Ultimaker S5 Pro Bundle we'd like to offer you a material bundle for 50% off. Every spool of filament has an NFC chip, specifically for Ultimaker 3D printers to read and enable the necessary settings for that material, along with logging the material left on the spool.
